Q: How to get unique row based on specific column and not by sorting all the rows? I have 2 columns in dataframe, one is number and the other is flag with Boolean type.

```
def flag_column(df): return
df['flag'].where(df['flag'].isin(["True", "True", "False", "False"]))
df1 = pd.DataFrame(data={"flag": [True, True, False, True, False],
"number": [1, 1, 1, 1, 1]})
df1
```

But it returns the unique data based on the order of each row. How do I get the unique data based on flag column and not on the order of each row? Please note that I do not want to get the data sorted first, then unique. I just want to see the unique rows based on flag column. The result I want is:

```
1 True 1 True
A: You can use the | bitwise OR operator, here, to combine flags: >>> import numpy as np >>>
df["flag"].values =
np.array([True, True, False, True, True]) >>>
df[df["flag"].apply(lambda x: x|1)]
```

number	flag
0	1
1	1
2	1
3	1
1	True

```
mask =
df["flag"].apply(lambda x: x|1)
df[df["flag"].isin(["True", "True", "False", "False"])]
```

I'm NOT going to release a new build today.

Allow Network Devices to Connect to Your PC or. QAP-305 Reviews and. May 21, 2015, and September 20, 2015, and the filing of the Second Amended Complaint on January 22, 2016. 3 According to the district court, the settlement between Cross and the City was closed on May 23, 2014, after the City had received notice that Cross

would likely be able to claim a stay under § 362(a) if the case proceeded. As of that point, therefore, Cross had significantly more time to file suit than the 60-day deadline imposed by the statute, the only issue before us on this appeal 4 42 U.S.C. § 1983 provides: Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia, subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress. 5 Section 1983 provides a cause of action for any violation of federal statutory or constitutional rights under color of state law 6 To the extent that Cross argues that Bivens provides a cause of action against a municipality, Cross misreads the Supreme Court's decision in *Monell*. A Bivens action is an implied right of action, but it is a means to recover damages against individual defendants. *Monell*, 532 U.S. at 691-92, 121 S.Ct. 1835. 7 This broad definition of "person" is consistent with the principle that "when Congress uses terms
